

Curved Jaspee Red Roof tile

Add character with our Curved Jaspee Red Roof Tile. A rich, rustic Mission barrel tile ideal for historic restorations and Mediterranean-inspired homes.

Curved Jaspee Red – Bold Heritage Meets Elegance

Striking Jaspee Red curved tile with a classic Mission barrel design. Ideal for timeless architectural appeal in both heritage restorations and Mediterranean-inspired modern homes.

The **Curved Jaspee Red Roof Tile** from STIPL Roofz is a bold reinterpretation of the **traditional Mission barrel tile**, crafted to meet today's architectural demands while preserving the charm of centuries-old European and Spanish Colonial design.

With its **rich Jaspee Red finish**, this two-piece tile adds character and contrast to any roof, whether it's a **restoration of a historic structure** or a new build aiming for timeless Mediterranean elegance. Its curved form allows for excellent water flow and natural ventilation, ensuring durability and weather resistance across climates.

Made from premium clay and imported from **La Escandella, Spain**, this tile is more than just a roof covering—it's a design statement. Jaspee Red provides visual warmth and rustic appeal, blending beautifully with terracotta tones, stone facades, or earth-toned exteriors.
