

H-Selection Innova Slate

Innova Slate is a contemporary ceramic tile by La Escandella. Lightweight, durable, and ideal for modern roofs with straight or broken bond installation.

Innova Slate – Sleek, Sophisticated, Resilient

Innova Slate offers a bold, contemporary look with precision fit and long-lasting durability. Combine it with Vienna or use it solo to craft roofs that exude modern elegance and performance.

The **H-Selection Innova Slate Roof Tile** by La Escandella blends **modern sophistication** with exceptional ceramic engineering. With its sleek **slate-grey finish** and crisp profile, this tile delivers clean aesthetics and structural confidence for a wide range of architectural styles.

Manufactured using La Escandella's **H-Selection technology**, the Innova Slate tile offers:

- **Dimensional accuracy for seamless laying**
- **Low water absorption for better weather protection**
- **High mechanical strength and thermal resistance**
- **Consistent, UV-resistant color tone**

Ideal for **contemporary villas, urban homes, commercial projects**, and minimalist designs, Innova Slate supports both **straight and broken bond laying**, providing visual flexibility and structural versatility. Each tile weighs just **3.4 kg**, ensuring easy handling and efficient installation.

Whether used alone or **paired with Vienna tiles**, this product creates dynamic roofscapes with striking contrast and design depth—perfect for builders and homeowners seeking modern elegance without compromising on durability.
