

H-Selection Planum Burgundy

Planum Burgundy offers a rich tone, broken bond layout, and superior durability. Large format, lightweight, and perfect for elegant, long-lasting rooftops.

Planum Burgundy – Deep Tone, Timeless Design

Planum Burgundy adds richness and elegance to rooftops with its bold hue. Lightweight and strong, it's perfect for fast, stylish roofing in broken bond layout.

The **H-Selection Planum Burgundy Roof Tile** by La Escandella offers a **sophisticated blend of tradition and modernity**, featuring a bold, deep **burgundy tone** that elevates any structure. Its sleek, large-format design and exceptional strength make it one of the most in-demand tiles in the Planum range.

Manufactured with **H-Selection ceramic technology**, this tile provides:

Perfect flatness and dimensional accuracy

Low water absorption for excellent resistance to weathering

UV-stable burgundy glaze for long-lasting color vibrancy

Lightweight structure (3.5 kg per tile) for ease of installation

Planum Burgundy is laid using the **broken bond (cross bond)** method, enhancing both **visual texture** and **roof durability**. Its rich color makes it an ideal fit for **luxury homes, villas, commercial buildings**, and high-end residential developments.

Whether paired with natural materials like stone and wood or featured on contemporary exteriors, **Planum Burgundy** delivers a **timeless look with modern roofing efficiency**.
