

H-Selection Selectum Provence

Selectum Provence offers Mediterranean aesthetics with FlexiLock ease and klinker toughness—ideal for elegant, long-lasting roofing across styles and climates.

Selectum Provence – Mediterranean Soul, Lasting Strength

Inspired by Provence's timeless charm, Selectum Provence fuses rustic elegance with klinker resilience and FlexiLock technology for seamless installation and a perfect fit across traditional and modern rooftops.

H-Selection Selectum Provence Roof Tile brings the warm, sun-kissed essence of southern France to rooftops worldwide. Its **textured, multi-toned finish** mimics the look of natural weathering, creating a roovescape full of Mediterranean charm and artisan detail.

Designed with **klinker ceramic technology**, this tile offers maximum durability, low water absorption, and long-term color stability—ensuring your roof withstands even the harshest climates while maintaining its visual appeal.

Thanks to the **FlexiLock system**, Selectum Provence simplifies installation and ensures an accurate, tight fit. Its adaptable usage of **11 to 14 tiles per square meter** allows for architectural flexibility while preserving efficiency.
