

H-Selection Selectum Rustic Red

Selectum Rustic Red is a traditional clay roof tile with FlexiLock technology for perfect fit and easy installation. Rich color and Klinker quality.

Selectum Rustic Red – Tradition with Perfect Fit

Selectum Rustic Red combines classic style with modern precision. Featuring the FlexiLock system, this traditional tile offers unmatched fit, easy installation, and warm rustic aesthetics for elegant rooftops.

The **H-Selection Selectum Rustic Red Roof Tile** from La Escandella merges timeless **traditional aesthetics** with advanced installation efficiency. Crafted with **Klinker quality clay** and finished in a beautiful **Rustic Red**, Selectum tiles are engineered to bring durability, elegance, and ease of use to roofing projects.

Its built-in **FlexiLock system** ensures a **perfect fit**, easier alignment, and secure positioning on any type of roof. Depending on the spacing, between **11 to 14 tiles** are used per square meter—providing layout flexibility for diverse architectural needs.

With its **deep profile** and **straight bond laying**, Selectum Rustic Red offers enhanced water flow, wind resistance, and thermal protection. Each tile weighs only **3.5 kg**, yet delivers superior performance and dimensional stability.

Ideal for both traditional homes and premium modern builds, Selectum Rustic Red is a versatile roofing solution that celebrates classic design while ensuring cutting-edge functionality.

Elegant Red

Selectum rustic red tiles enhance roof aesthetics.

High Durability

Built to withstand harsh weather for longevity.

Fine Texture

Gypsum-molded for a smooth, high-quality finish.
