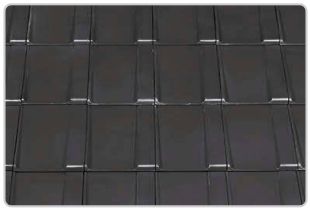
H-Selection Vienna Galaxy

Vienna Galaxy tile offers perfect flatness with a bold galaxy finish. Straight bond layout, weather resistance, and luxury aesthetics for standout rooftops.



Vienna Galaxy – Bold Finish, Flawless Design

Vienna Galaxy features perfect flatness and a striking galaxy-toned finish. Designed for straight bond laying, it delivers dramatic elegance and high performance for premium rooftops.

The **H-Selection Vienna Galaxy Roof Tile** by La Escandella is a **statement of luxury and modernity**. With its deep, celestial-toned **Galaxy finish** and signature **frontal furrow**, each tile brings personality, uniformity, and high-end aesthetics to rooftops.

Crafted for **straight bond laying**, Vienna Galaxy ensures precise alignment and smooth rooflines, ideal for **modern homes, designer villas, commercial structures**, and bold architectural expressions.

Engineered using advanced **H-Selection ceramic technology**, the tile offers:

Exceptional flatness and dimensional precision
UV-resistant, color-rich Galaxy finish
Low water absorption for weather resistance
Mechanical strength with lightweight build (~3.6 kg per tile)

Whether used alone or alongside other Vienna or Innova tiles, Vienna Galaxy is built for **visual drama, structural stability**, and **long-lasting beauty** across all climates.

	Vienna Roof tile
Dimensions*	**A** 460 mm / 18.11"
	B 255 mm / 10.04"
