

H-Selection Visum3 Slate

Visum3 Slate offers a triple-tile effect in one with a sleek grey finish. Durable, lightweight, and ideal for broken bond installation in modern architectural roofing.

Visum3 Slate – Triple Look, Sleek Slate Finish

Visum3 Slate offers the refined look of three tiles in one, with a smooth slate-grey finish. Designed for broken bond laying, it combines modern elegance with advanced performance.

The **H-Selection Visum3 Slate Roof Tile** by La Escandella is a premium roofing solution that blends **aesthetic innovation** with top-tier functionality. Each tile is crafted to replicate the **visual effect of three individual tiles**, creating depth and texture while reducing installation time and material usage.

The sophisticated **slate-grey finish** offers a clean, modern look that complements contemporary architecture while maintaining the charm of traditional roofing forms. Ideal for **urban homes, villas, commercial buildings, and designer projects**, Visum3 Slate is where efficiency meets architectural expression.

Manufactured using **H-Selection ceramic technology**, this tile delivers:

Precision interlock and flatness for perfect alignment

UV-resistant, color-stable slate finish

Low water absorption for superior durability

Lightweight structure (~3.55 kg per tile) for fast, secure installation

Installed using the **broken bond (cross bond)** layout, Visum3 Slate enhances water runoff and creates a layered, structured appearance that suits high-end projects.

Visum3 Roof tile
