Discover the Mixed Castell Roof Tile from STIPL Roofz. A classic Mediterranean-style curved “S” tile offering elegance, strength, and easy installation.

## Mixed Castell Roof Tile – Classic Mediterranean Appeal

Mixed Castell Roof Tile showcases the iconic double “S” profile, combining elegance and function. Its traditional Mediterranean look and user-friendly design make it ideal for premium homes and architectural projects.

The **Mixed Castell Roof Tile** from STIPL Roofz blends timeless Mediterranean charm with modern roofing innovation. Featuring a **double curvature “S” profile**, this tile enhances both the **structural performance** and **aesthetic appeal** of your roof.

Its signature shape is engineered for **easy water drainage**, **wind resistance**, and **fast installation**, making it a preferred choice for luxury villas, heritage restorations, and upscale residential developments. The **Castell finish** brings a warm, earthy tone to rooftops, creating a natural, sun-kissed appearance that complements both traditional and contemporary exteriors.

Manufactured with the precision and quality assurance of **La Escandella**, these tiles promise **long-term durability**, **color consistency**, and **compatibility with matching accessories** such as eave tiles, ridge caps, and end pieces. Whether you're building a new home or renovating a classic structure, the Mixed Castell Roof Tile ensures a **harmonious blend of tradition and technology**.
