

Mixed Hispania Roof Tile

Discover the Mixed Hispania Roof Tile from STIPL Roofz. A premium Mediterranean-style S-curved clay tile that blends timeless Spanish aesthetics with high performance.

Mixed Hispania Roof Tile – Timeless Mediterranean Look

The Mixed Hispania Roof Tile brings Spanish heritage to life. Its double “S” profile ensures elegance, functionality, and an easy-to-install system for stunning Mediterranean-style roofing.

The **Mixed Hispania Roof Tile** from **STIPL Roofz** is a beautiful representation of **Mediterranean roofing traditions**. With its **signature “S” double curvature**, this tile offers both **aesthetic charm** and **superior functionality**—ideal for homes and buildings that embrace warm, earthy architecture.

Designed to provide **quick installation** and **lasting performance**, the Mixed Hispania tile enhances rooftops with **gentle waves** and **rustic tones** that reflect the essence of Spanish craftsmanship. Whether for residential villas, heritage renovations, or premium structures, this tile delivers a **roofscape that’s both elegant and efficient**.

Crafted with precision by **La Escandella**, it guarantees durability, thermal resistance, and compatibility with a full range of **roof accessories**, including ridges, eaves, and end tiles. The **Hispania finish** offers a soft yet distinctive visual appeal, making it a versatile choice for classic and modern designs alike.

Hispania Elegance

Mixed hispania tiles add a classic roof look.

High Durability

Resists harsh weather for long-term protection.

Smooth Finish

Gypsum-molded for a fine, consistent texture.
