

Mixed Jaspee Red Roof Tile

Experience bold elegance with Mixed Jaspee Red Roof Tiles by STIPL Roofz. With a traditional S-curve and rich clay tones, it offers lasting beauty, water resistance, and easy installation for homes inspired by Mediterranean architecture.

Rustic Mediterranean Charm

A vibrant terracotta tile that blends Mediterranean charm with modern roofing strength.

The **Mixed Jaspee Red Roof Tile** from STIPL Roofz brings a fiery warmth and character to any roof, capturing the true essence of **Mediterranean elegance with a bold twist**. Crafted in a signature **double curvature S-profile**, this tile ensures quick water runoff, easy installation, and a distinctive finish that elevates your home's exterior.

What sets this tile apart is its **Jaspee Red finish**, a dynamic terracotta tone infused with subtle speckles and shading that add depth and movement to your roofscape. Whether used for heritage homes, luxury villas, or boutique resorts, this tile brings **old-world charm with modern performance**.

Backed by **La Escandella's premium manufacturing** standards, the Mixed Jaspee Red tile offers exceptional durability, resistance to UV, frost, and heavy rain. It pairs beautifully with matching eaves, ridges, and ventilation tiles for a complete, integrated roof system.

Perfect for Indian climates, the Mixed Jaspee Red roof tile is an ideal choice for those who want to blend **tradition, texture, and timeless appeal** in one elegant solution.
