

Mixed Maigmo Roof Tile

Explore the Mixed Maigmo Roof Tile at STIPL Roofz. A double curvature clay tile that offers timeless Mediterranean beauty, strength, and seamless installation.

Mixed Maigmo Roof Tile – Authentic Mediterranean Design

The Mixed Maigmo Roof Tile brings Mediterranean charm with its double “S” curve. Designed for beauty, strength, and easy installation, it’s ideal for timeless and functional roofing solutions.

The **Mixed Maigmo Roof Tile** from STIPL Roofz offers a harmonious blend of **heritage-inspired design** and **modern roofing efficiency**. Crafted in the iconic **double curvature “S” profile**, this tile ensures **excellent water runoff**, **structural integrity**, and a **visually rich finish**.

Its distinctive **Maigmo tone** reflects the earthy hues of southern Europe, making it a perfect match for **Mediterranean, rustic, and traditional Indian villas**. Whether used for restoration or new construction, this tile delivers **visual harmony and practical functionality**.

Manufactured by **La Escandella**, the global leader in clay tiles, the Maigmo tile is compatible with a full suite of **roof accessories**—including eaves, ridges, end caps, and ventilation systems—ensuring a complete and elegant roofing system.

If you’re seeking a roofing solution that combines **easy installation**, **lasting performance**, and **timeless Mediterranean beauty**, the Mixed Maigmo Roof Tile is your perfect choice.

Maigmo Design

Mixed maigmo tiles offer a unique roof aesthetic.

Weatherproof

Resists rain and UV for long-lasting performance.
