Mixed Mediterranean – Authentic Mediterranean Appeal

Inspired by coastal elegance, the Mixed Mediterranean Roof Tile combines traditional S-curve design with classic terracotta tones to bring warm, timeless Mediterranean charm to Indian rooftops.

Bring the **soul of the Mediterranean coast** to your home with the **Mixed Mediterranean Roof Tile**, an iconic double-curved “S” tile that combines time-tested functionality with unmatched elegance. This tile replicates the signature look of traditional Mediterranean rooftops—warm, earthy, and full of character.

Its **double curvature design** ensures superior water flow and easy interlocking during installation, reducing labor time while delivering a seamless finish. Compatible with **ridge, eave, and valley accessories**, this tile forms a holistic roofing solution that ensures structural integrity and visual consistency.

Crafted by **La Escandella** and distributed by **STIPL Roofz**, the Mixed Mediterranean tile embodies **quality Spanish manufacturing**, featuring high durability, colorfast terracotta shades, and resistance to harsh weather.
