

Rectangular Red Ceramic Window Lattice – CACE11

Explore CACE11 Rectangular Red Ceramic Lattice from STIPL Roofz—sleek ventilation tile for facades, walls, and Mediterranean-style privacy screens.

Rectangular Red Ceramic Lattice – Sleek Ventilation Solution

CACE11 ceramic lattice features a rectangular pattern for enhanced ventilation, ideal for facades, fences, and partitions.

The **Rectangular Red Ceramic Window Lattice – CACE11** is a sleek terracotta screen with a modern rectangular pattern. Measuring 20×30 cm with a 7 cm thickness and weighing 3 kg per piece, it provides excellent airflow and privacy for facades, interior partitions, or garden walls. Crafted by STIPL Roofz, its warm red finish adds Mediterranean elegance and durability, making CACE11 perfect for contemporary and traditional designs seeking functional ventilation.

Dimensions: 20×30×7 cm
