

Ridge – Q02

Shop Q02 Ridge Tile from STIPL Roofz—classic ventilation and finishing for roof ridges with durable Mediterranean design.

Q02 Ridge Tile – Classic Roof Ventilation

Q02 ridge tile ensures effective ventilation and aesthetic finishing for roof ridges.

The **Ridge – Q02** is a classic terracotta ridge tile by STIPL Roofz, designed for roof ridge applications. Measuring 45×20×10 cm and weighing 4.5 kg, it provides ventilation and weatherproofing while complementing mixed or curved roofs. Its durable ceramic construction resists UV, frost, and heavy rain, ideal for Mediterranean-style roofs in modern or traditional designs.

Dimensions: 45×20×10 cm

Weight: 4.5 kg per piece

Pallet Quantity (approx): 200 units

Ridge Durability

Ridge component ensures stable roof alignment.

Weather Resistant

Resists harsh weather for lasting durability.

Easy Fit

Designed for reliable ridge placement.
